FIA DATES

The **Room Representatives** will get together for the first **Family Involvement Association** meeting at Children's House **from 4:30-5:15 on 10/29/15**.

Our first *group* FIA meeting will be held in November and will be hosted by the PK Room Rep, Kristin Murphy. *All* parents are encouraged to attend FIA meetings.

To accommodate our non-MM families, we will be alternating meeting locations between Children's House and MassMutual. Non-MM parents ARE welcome to attend meetings at MM though. Just contact Pam Flowers to arrange. As soon as we have a date for the November meeting, it will be posted.

If your Rep is unable to attend a FIA meeting, he/she may ask for someone else in the room to attend in their place. Please be supportive of them!

2016 MM Subsidy Applications

Children's House will soon begin collecting 2016 Subsidy Applications from families currently enrolled who access *more than 10% subsidy* or whose subsidy will change in January 2016.

MassMutual will inform employees of the due date. Forms will soon be available online at MM. **10% families are automatically re-enrolled. No new subsidy form is necessary.**

If families are eligible for subsidy *greater than 10%*, a copy of the 2015 1040 tax form must be submitted to the center with the application (in tuition drawer).

Families who enrolled over the summer or early fall who are eligible for *greater than 10% subsidy still need to submit a new 2016 Subsidy Application, but do not need to submit tax information* again.

All forms can be placed in the tuition drawer. If too bulky, feel free to place in an envelope on Pam's desk or slide under the door if closed.

If parents are able to send info to the center electronically, that is fine too. Please email to pfrogameni@childrenshouseinc.org or fax to Pam Frogameni at (413) 782-8073.

Our administrative assistant, Irene Provenzano, is also available to assist you with any questions regarding subsidy or tuition. She can be reached at : iprovenzano@childrenshouseinc.org

Thank you!

It's Fire Safety Month!

If your child has some spare time at home, and knows "**Firefighter Joe**" from his visits last (school) year, it would be nice if he/she could make a Thank You card or picture of some type to thank him for all the work he puts into teaching fire safety to the children at Children's House.

Firefighter Joe will visit our center

sometime later this month and is always appreciative of pictures and cards from the children.

Community Service Projects

Thank you to all those who supported community service projects last school year! We'd like to ask for your support again this year...

In November, we would like to collect non-perishable food items for the Open Pantry.

In December, we were thinking about

collecting for the Toys for Tots program, but are open to any ideas parents might have.

Please feel free to bring ideas to the FIA meeting! Some suggestions so far: Climb For Air, Walk for Down Syndrome, Coats for Kids.

It would be great if we had parent volunteers willing to help Sue Alexopoulos, our Community Service Project Coordinator with any of the community projects.

Please let us know if you can help!

Teachers Love to Collect "Stuff"

Halloween Party, October 30th !

All children are encouraged to come to school in costume and bring a change of clothes for the afternoon. (Yes .. even the babies and toddlers can come in costume!!) Many staff members will come to work in costume too!

We ask that accessories to costumes be *very* limited and clearly labeled. Also, please do not allow children to bring “weapons” in with their costumes.

Because some children are wary of scary costumes, masks and make-up, please be sure your child’s costume, mask and/or make-up is not too scary.

HAPPY HALLOWEEN!

Refreshments will be welcomed! Please sign up in your child’s classroom if you’d like to bring something in. Although we all love cookies and brownies, *we encourage parents to also consider more nutritious treats*. The following is a list of items parents have brought in the past that the children seemed to enjoy:

- Banana Bread
- Pumpkin Muffins
- Frozen Fruit Bars
- Veggies with Dip (for older children)
- Frozen Yogurt
- Popcorn (for older children)
- Cheese
- Chex (or any type of cereal) Mix

Ingredient lists **must** accompany all items. We cannot have anything in the classrooms containing nut products or anything with a label that says “manufactured in a factory which also processes nuts”.

Teachers Love to Collect (cont.)

(Continued from page 2)

- Office
- Pet Shop
- Restaurant
- Laboratory
- Dentist’s Office
- Grocery Store
- Under The Sea
- Taking Care of Babies
- Hairstylist
- Toy Shop
- Safari
- Doctor’s Office
- Florist Shop
- Jungle
- Summer Picnic/Hawaiian Party...and

any other topic our creative staff can dream up!!

Again, please be sure your child’s teacher is able to accept donated items.

We have limited storage space, so we have to be careful about the amount of items coming in.

Extra Clothing

Please check your child’s back pack to be sure he/she has a complete set of season appropriate extra clothing (including socks, pants, shirt and underpants/panties) to change into in the event of a spill, art mishap or accident.

Alumni Care

Children’s House can offer care for alumni students (ages 2.9 and older) for \$51.50/day during school vacations, other closed days/holidays where the schools are closed, but Children’s House is open. We have to have a slot open to accommodate alumni, so advanced notice is helpful. If something comes up unexpectedly, just give us a call and we’ll try to help out!

Thank You!

Thank you to all those families who donated scrap paper , binders, toys and wonderful educational materials to the center over the summer and this September.

Although Debbie and Mary keep our classrooms very well supplied, we still appreciate the generosity of parents who are willing to donate "gently used" items to the center.

We're sure the children appreciate it too!

AUTOMATED ANSWERING SYSTEM

If parents call the center before 8:00 a.m. or after 4:30 p.m., our automated telephone system may pick up. If you are calling in the morning to let us know your child will not be in or will be in later than normal, feel free to leave a message in the "general mailbox". If you need to speak to a staff person, press "8" and the phone will ring in the P3 room. An opening staff person will transfer you to an on-shift staff person as needed. Please call back and hit "8" again if no one picks up. Sometimes we miss the call if staff are really busy. Thanks!

OPEN HOUSE

will be held from 6:30-8:00 pm on Wednesday, October 28, 2015.

Open House gives parents the opportunity to connect with each other and learn more about Children's House.

Teachers will share detailed information regarding their philosophies, curriculum, planning and the assessment process. They will also share information on upcoming themes and events.

Teachers will display materials that are most often not visible to parents and discuss the skills children learn by using these materials along with the materials on the shelves and in the various learning centers in their room.

Reminder:

Children's House will be closed on Thanksgiving Day (11/26/15) and the following day (11/27/15) to allow staff time to be with their families.

~Enjoy the long weekend!

Food Allergies

Please check with your child's teacher before sending in food items for parties, birthdays or any other type of celebration. All our classrooms are "Nut Free". We also have children who are allergic to certain fruits, milk, eggs and food additives.

Thanks!

Welcome Fall!
