We welcome your input on the themes presented throughout the summer.

Swimsuits, Towels, Sunglasses and Sunscreen

“Summer Fun” is now in full swing! We have hooked up the sprinklers; we’ll be bringing out water tables for water play and having lots of outdoor fun in general! Children should bring a bathing suit and towel daily. PLEASE label all items brought to the center.

Staff will apply AFTERNOON sunscreen on sunny summer days if a labeled bottle is provided by the parent along with a current, signed permission form. Please label your child’s sunscreen bottle with his/her first AND last name and be sure staff are informed it is on site. Please note that some sunscreens are flammable. We cannot have sunscreen that is labeled “flammable” on site – please check before sending in.

Labeled hats and sunglasses are fine to leave at school. Please understand though, that they are hard to keep track of and might be lost – even if labeled. We’ll do our best to keep everything together.

Bug Repellants

In order to apply bug repellants at the center, we need a physician’s note indicating the need for application and permission to use a **specific brand**.

Just as with sunscreen, if the product label indicates it is “flammable”, it cannot be used at the center.

In an Emergency...

Upon enrollment, we ask parents to supply us with a list of emergency numbers. ***If those numbers change or if your extension changes at work, please notify us in writing right away.***

It would be helpful too if parents would please notify us if they will not be at work or if they’ll be reachable only by cell.

Staff Vacations

Our staff have already begun taking their well-deserved vacation time. We will post substitute coverage on the doors. If a classroom is shut down for any reason, the location of each child assigned to the group will be posted on the door. Sometimes this will happen if the enrollment during any given week is low.

We always do our best to have at least one of the two staff assigned to a room available to the children. In P1 & P2, we will **always** have a familiar staff person sub – since there is only the one teacher. If numbers allow, we will combine P1 & P2 with P3.

Parking Lot Issues

Parents need to be aware that some of our families are very upset about getting blocked in by “triple parkers”, having drivers exit the wrong way into oncoming traffic entering the lot, and trying to maneuver around vehicles parked by the sidewalk without

endangering those stepping off the sidewalk into the driveway. Those individuals stepping into the

driveway aren’t easily visible past the parked vehicles.

If there is a driver still in the vehicle who can slowly circle the driveway while another person takes care of drop off or pick up, that would be great. If you are alone, please circle the driveway until a regular spot becomes available. Please use the correct traffic pattern to exit the parking lots. A couple extra minutes can be all the time needed to prevent a terrible injury.

Staff have been instructed to make drop off and pick up as quick as possible to assist in getting parents back to their vehicles in a timely way.

We recognize that convenience is a big factor, but **safety** and courtesy toward others is the higher priority. Thank you!

Family Surveys

We have just sent out Family Surveys and are hoping to receive as many back as possible. Thank you very much (in advance) for taking the time to complete the forms!

We need to meet the *challenging* minimum response requirement for NAEYC (our National Accreditation agency) of 60%.

All the information we receive from families is valuable to us in establishing goals for the coming year.

Additional copies are available from your child’s teacher.
Thank you!

Enjoy your summer!
